

Replacement measuring pins for GMH 3810 / GMR 110

GST 3810

Introduction

Worn or missing measuring pins can slow down routine moisture checks, especially when the instrument itself is still in regular use. This replacement pin set supports continued work with compatible GMH 3810 and GMR 110 moisture measuring instruments.

The GST 3810 is supplied as replacement measuring pins in a packaging unit of 10 pieces. It is intended for users who need spare pins available for service, replacement or ongoing field and workshop measurement tasks with the specified devices.

Features

Replacement pins

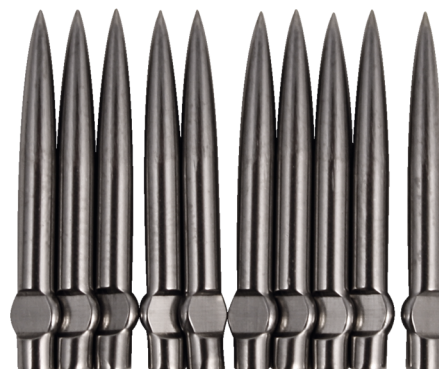

The product consists of replacement measuring pins for compatible moisture measuring instruments.

Device compatibility

The pins are designed for use with GMH 3810 and GMR 110.

Packaging unit

The delivery packaging contains 10 pieces.

Ready replacements

Spare measuring pins support continued use with GMH 3810 and GMR 110 instruments.

Practical pack size

Packaging unit contains 10 replacement measuring pins.
